

Gran,

Words just can't explain how I feel right now. You have left huge hole in all our family. You touched everyone's life in a such positive way and helped move me and make me into what I am today.

You were a strong, independent, loving and deeply loyal person and you inspired me in all our conversations to be resilient when times were hard. I will be forever grateful for your love and guidance. I could not spend as much time with you as I would have liked with the distance and I would like to take this opportunity to say thank to Uncle Stuart and Aunty Chris for being there for you, making sure you were able to stay at home until the end, as I know you wanted to.

I am also grateful that I was able to hold your hand and say goodbye as you took your last breath and went peacefully.

Thank you for being you, your wisdom, compassion, patience and most of all your love.

As we say goodbye you may have left this world but your love will live on forever in our hearts.

Good night, God bless, Gran. I love you.

Louise
